

## Bharat Bio Energy Association (BBEA)

**Circular No. 03/2025**

**Subject:** Empowering Young Minds for a Greener Bharat – Bio-Energy Innovation Drive

Dear Students, Innovators, and Change-Makers,

The **Bharat Bio Energy Association (BBEA)** proudly announces the launch of the **Bio-Energy Innovation Drive 2025**, a national initiative to harness youth creativity and technological innovation for sustainable energy transformation.

India's young minds have the power to reshape our nation's energy future. Through this initiative, we invite **students, startups, research groups, and innovators** to collaborate with BBEA and contribute ideas, technologies, and models that can revolutionize the field of bio-energy and waste-to-energy solutions.

BBEA will provide:

- Access to mentorship from leading experts and IIT professionals
- Networking opportunities with investors and NGOs
- Platforms to showcase innovations and pilot community-level projects
- Support in implementation, research, and technical assistance

As a **non-profit association**, our mission is to empower those who dream of a cleaner, greener Bharat. We welcome both innovators seeking support and organizations wishing to sponsor youth-driven projects.

To participate or contribute to this national initiative, please reach us at:

**Email:** [communication@bharatbio.org](mailto:communication@bharatbio.org)

**Website:** [www.bharatbio.org](http://www.bharatbio.org)

Together, let's fuel innovation that lights up a sustainable tomorrow.

With best wishes,

**Team Bharat Bio Energy Association (BBEA)**
